

ORDER DETAILS

Ordered = your order has been received

Shipping = your order is preparing for shipment

Shipped = your order has left our warehouse, and your tracking email has been sent*

*If an order has shipped and no tracking number is listed, please check your inbox (and Spam/Junk folder) for your tracking email. Some orders will not display tracking information below, but we will always send an itemized tracking email.

Subscription boxes ship within 15 days from the date of purchase.

Note: Drop Shop and Mega Drop Shop orders ship through the following month from when the store was featured (for example, January store orders ship through February). [Learn more.](#)

It may take multiple shipments to complete these orders. To determine if your complete order has shipped, please refer to your order confirmation email and the itemized list within your tracking email(s).
