## Barbara Constanza, You Rock!

It was just another day at the office when Kelsey jumped out of her chair, so fast that I thought fire had engulfed her hair.

"We did it!" she yelled. "We got an order from Barbara Constanza Friz Aburto!"

Brian ran over to her computer, because he's ordinarily the trouble-shooter.

"Don't get scared," said Kelsey,  
"You're not moving with your auntie and uncle to Bel Air".

The office erupted in applause  
and we popped a bottle of champagne given to me by my in-laws.  
"I Like It Like That" blared from Kelsey's computer,  
and half-eaten sourdough lay next to our recruiter.

Barbara Constanza, the entire Native team is thrilled to have you as a customer.

Your friends will probably start calling you "Healthy Barbara Constanza" soon. You'll love it.

After we're done celebrating your order, you'll receive tracking information

so you can get as excited about your delivery as we are. If you have any questions, shoot me a note at [support@nativecos.com](mailto:support@nativecos.com).

Health, healing and happiness!

Best,  
Julia
